

2 DAY H.S.E FIRST AID AT WORK RE-QUALIFICATION

Description:

It is a requirement of the Health & Safety law that employers should provide a safe and healthy working environment for their employees. If the assessment of First Aid needs highlights the need for First Aiders to re-qualify, then this course will supply you with highly training personnel. It will qualify your staff to the highest level of First Aid, meeting the statutory requirements of the Health & Safety (First Aid) Regulations 1981.

Course Duration:

A minimum of 12 hours, spread over 2 days. Ideally the 2 days should be consecutive, however there is flexibility to suit work patterns.

Syllabus:

A range of subjects is covered including:

- * Responsibilities & Reporting * Resuscitation (CPR) * Bleeding * Choking
- * Emergency Assessment* Fractures * Unconsciousness * Shock * Diabetes
- * Respiratory & Circulatory conditions * Poisons * Epilepsy * Anaphylaxia
- * Chest & Abdominal Injuries * Burns * Bites & Stings * Eye Injuries ...& more.

we will also tailor the training to your specific work

Risks and environment.

Certification:

Delegates will be assessed by external assessors. All successful delegates will be granted a 3 year HSE qualification. Delegates must be in possession of their original certification.

Numbers:

A maximum of 12 delegates are allowed to attend and must be a Minimum of 16 years of age. Larger groups can be catered for with Additional instructors.

Location:

We can deliver this training at your place of work, reducing disruption and cost in regards to time out and travelling
